

PUBLIC OUTDOOR SCREENING PARTY

all friends and community members welcome!

"A JOURNEY ACROSS BORDERS"

immigration narratives on the 22 line

Monday, May 8 2006 - 8:00 PM

Corner of Dolores & 16th St. (Outdoors)

FREE

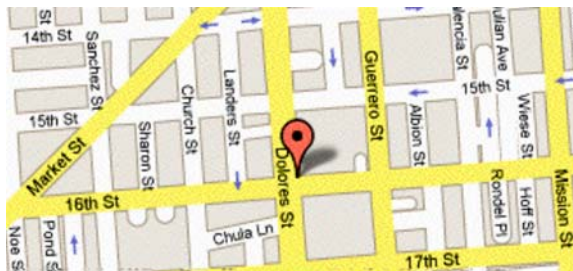

Who we are: We are three children of immigrants! and we want to show that it is the *majority*, not *minority*, of the SF community that comes from immigrant families – *and* that making immigration illegal is criminalizing our heritage.

What we did: On May 6, 2006, we rode the 22 Fillmore bus, asking individuals all along the line:

1. Where is your family from?
2. If you or your family immigrated to the US, will you tell us why?
3. What is (or was) the hardest part of immigration, for you or your family?
4. Do you think that living in the US has made your life better? Why or why not?
5. How do you describe your American Dream?

EVERYONE is welcome to join us for the public screening of the film which brings everyone's stories together in celebration of the diverse and complex experience of immigration in the US! *Bring a chair, some food or drinks, friends or family—but most importantly, bring yourself!*
